

Document Craft n.º 0351/GAB443/2025

Brasília, July 30, 2025.

To His Excellency
Mr. Donald J. Trump
President of the United States of America
The White House

Subject: Request for action and notification regarding the 50% tariff imposed on Brazilian coffee

Dear Mr. President,

I extend my respectful greetings and, through this letter, submit for Your Excellency's consideration the attached statement, jointly prepared by the Brazilian Coffee Exporters Council (Cecafé) and my parliamentary office, expressing deep concern over the recent decision of the United States government to impose an additional 50% tariff on Brazilian coffee exports.

Brazil is the world's largest producer and exporter of coffee and the main supplier to the U.S. market, accounting for more than 30% of American coffee imports. The economic, cultural, and strategic relevance of Brazilian coffee to the United States is clear, as this sector sustains millions of jobs and contributes billions of dollars annually to the American economy.

Given the historic and strategic commercial partnership between our nations, we respectfully urge Your Excellency to take the necessary steps—within your authority—to ensure that Brazilian coffee is considered for exemption from the aforementioned tariff, as established by Executive Order dated July 30, 2025.

Furthermore, we kindly request that Your Excellency instruct the following members of your Cabinet to be formally informed of the contents of the attached statement and to evaluate possible actions on this matter:

- Marco Rubio – Secretary of State
- Scott Bessent – Secretary of the Treasury
- Pam Bondi – Attorney General
- Doug Burgum – Secretary of the Interior
- Brooke Rollins – Secretary of Agriculture
- Howard Lutnick – Secretary of Commerce

We believe in the value of productive dialogue, mutual respect, and free, fair trade, and we trust that, under Your Excellency's leadership, the United States will continue to foster economic policies that benefit both American consumers and strategic trade partners such as Brazil.

Please accept the assurances of my highest consideration and esteem.

Sincerely,

EVAIR VIEIRA DE MELO
